GRAVITY

(to the tune of *Mary had a Little Lamb*)

Gravity is pulling down, pulling down, pulling down.
Gravity is pulling down, all around you!

Take a ball and toss it high!
Will it stay in the sky?
Gravity will pull it down, all around you!

Jump up high and down you'll go.
There's a force down below.
Gravity is pulling down, all around you!

Gravity is pulling down, pulling down,
pulling down
Gravity is pulling down, all around you!
