INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Perot Museum of Nature and Science
Dallas, Texas

We have audited the accompanying financial statements of the Perot Museum of Nature and Science (the Museum), which comprise the statements of financial position as of September 30, 2017 and 2016, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Trustees
Perot Museum of Nature and Science

Page 2

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Perot Museum of Nature and Science as of September 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Weaver and Tidwell, L.L.P.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 1. PURPOSE OF ORGANIZATION

Purpose

The Perot Museum of Nature and Science (the Museum or Organization), formerly known as the Museum of Nature and Science, is a Texas not-for-profit corporation organized to inspire minds through nature and science. The Museum was founded in 1936 as part of the Texas Centennial and was one of the first natural history museums in the region. It is the only public collections-based, research driven, natural history museum in the region.

In June 2006, the Museum acquired the net assets of the Southwest Museum of Science and Technology (The Science Place). The Science Place was founded in 1946 as the Dallas Health Museum and is one of the oldest science museums in the nation. In October 2006, the Museum acquired the net assets of the Dallas Children's Museum. In December 2012, the Museum moved from its original facility in Fair Park which was provided by the City of Dallas to a newly constructed facility in Downtown Dallas' Victory Park area. The new facility, known as the Perot Museum of Nature and Science, is a 180,000 square foot, state-of-the-art exhibit and education space which includes 11 permanent exhibit halls, six learning labs/classrooms, a temporary exhibit hall, a 3D digital theater, auditorium, museum shop, cafe and outdoor science park. The Museum has retained the use of the Nature Building at Fair Park for its paleontology lab, collections storage, and outreach educational staff.

In 1993, operation of the Museum was transferred from the City of Dallas (which owns the building in Dallas at Fair Park and a portion of the collections). The City continues to support the Museum with direct support of \$870,778 in 2017 and \$785,778 in 2016, plus contributed utilities and maintenance totaling \$57,953 for 2017 and 2016. Additional support in the form of in-kind lease rent is contributed each year (Note 13).

NOTE 2. SUMMARY OF SIGNIFIICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements are as follows:

Basis of Accounting

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP), which recognizes revenues when earned and expenses when incurred.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Use of Estimates

Management uses estimates and assumptions in preparing the financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Significant estimates include but are not limited to the fair value of investments, allowance and discount on contributions receivable and estimated useful lives of property and equipment.

Basis of Presentation

The Organization presents its financial statements in accordance with Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) 958 Not-for-Profit Entities. Under FASB ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Unrestricted net assets – Unrestricted net assets are expendable resources which are not subject to donor-imposed restrictions. Unrestricted net assets include funds designated for operations, net investment in plant facilities, certain investment and endowment gains and funds functioning as endowment. These net assets may be designated by the Organization for specific purposes under internal operating and administrative arrangements or be subject to contractual agreements with external parties.

All expenses are recorded as a reduction of unrestricted net assets. The operating activities of the Organization include the revenues earned and expenses incurred in the current year to support the Organization's core activities of inspiring minds through nature and science. The non-operating activities of the Organization include returns on the Organization's investments, current year gifts not included in operations, capital, and other gifts released from restrictions.

Temporarily restricted net assets – Temporarily restricted net assets include gifts and contributions that are subject to donor-imposed restrictions that expire with the passage of time, payment of contributions or specific actions to be undertaken by the Organization, which are then released and reclassified to unrestricted net assets. In addition, appreciation and income on certain donor-restricted endowment funds are classified as temporarily restricted net assets until donor restrictions are met. Donor-restricted resources intended for capital projects are initially recorded as temporarily restricted and released from their temporary restrictions and reclassified as unrestricted net assets when the asset is placed in service.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Basis of Presentation – Continued

Permanently restricted net assets – Net assets subject to donor-imposed restrictions require they be maintained permanently. Permanently restricted net assets are generally restricted to long-term investment and are comprised primarily of donor-restricted endowment funds. Generally, the donors of these assets permit the Organization to use all or part of the investment return on these assets. Income on endowment funds restricted for specified purposes is reported on the accompanying statements of activities and changes in net assets as temporarily restricted realized gains and unrealized gains on investments.

Expenses are reported as decreases in unrestricted net assets. Expirations of donor-imposed stipulations that simultaneously increase one class of net assets and decrease another are reported as reclassified to unrestricted net assets and reported on the statement of activities as net assets released from restrictions. Temporarily restricted contributions received and expended in the same fiscal year are recorded as unrestricted net assets.

Revenue Recognition

Support arising from donated services, goods, or capital equipment is recorded as both revenues and as an expense or asset based on the fair market value of the donation.

Revenue from the sale of tickets to public programs, reservations for school programs, and tickets to the theater for dates after the end of the year is deferred as unearned revenue. Membership revenues are recognized ratably over the terms of the memberships. Amounts included in ancillary and other revenues include facilities rentals, café revenues, gift shop revenues, and parking revenues for which revenue is recognized in accordance with agreements and contracts.

A substantial number of unpaid volunteers have made significant contributions of their time to develop the Museum's programs, principally in board activities, scientific laboratories, and educational programs. The value of this contributed time is not reflected in these financial statements because it does not meet criteria for recognition under the GAAP.

Cash and Cash Equivalents

At September 30, 2017 and 2016 cash and cash equivalents consist of cash on hand, money market accounts, and all highly liquid investments purchased with an initial maturity of three months or less. Cash and cash equivalents are reported at cost which approximates fair value. The Organization maintains cash balances at various financial institutions, which at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Investments

The Museum records investments at fair value. Under this method of accounting, fair value fluctuations are recorded in the period in which they occur by adjusting the carrying value of such investments and recognizing a net unrealized gain or loss. Realized gains and losses are recognized in the period in which they are earned or incurred. Interest income is recorded as earned. Investment income is reported in unrestricted net assets unless its use is restricted by explicit donor stipulation or by law.

Accounts Receivable

Accounts receivable consists of amounts owed on various agreements and contracts, and are included on the accompanying statements of financial position. Management determines the need for an allowance for doubtful accounts which is based upon a review of outstanding receivables, historical collection information, existing economic conditions, and by identifying troubled accounts. Historically, the Organization has not experienced significant losses on accounts receivables. Based on past experience and analysis of current receivable collectability, no allowance for doubtful accounts was considered necessary as of September 30, 2017 and 2016.

Contributions

Unconditional promises by donors to give are included on the financial statements as contributions receivable and revenue of the appropriate net asset category. The Organization reports contributions as restricted support if the support is received with donor restrictions that limit the use of the donated assets. When and if a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported on the statement of activities as net assets released from restrictions. However, if a restriction is fulfilled in the same period in which the contribution is received, the Organization reports the support as unrestricted. Support that is not restricted by the donor is reported as an increase in unrestricted net assets in the reporting period in which the support is recognized.

Unconditional gifts expected to be collected within one year are reported at their net realizable value. Unconditional promises to give that are expected to be collected in future years are initially reported at fair value determined using the discounted present value of estimated future cash flows technique using a discounted rate commensurate with the risks involved. Promises to give are recorded after discounting, to the present value of the future cash flows. Unconditional promises to give received during the years ended September 30, 2017 and 2016 have been discounted at 2.4% and 1.4%, respectively. The resulting discount is amortized using the level-yield method.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Contributions – Continued

The Organization reports contributions of land, buildings, equipment and other long-lived assets as unrestricted revenue, unless explicit donor restrictions specify how the donated assets must be used. Gifts of assets with explicit restrictions that specify how the assets are to be used are accounted for as restricted support. The Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

The Organization evaluates the need for an allowance for uncollectible accounts based on management’s analysis of specific pledges, historical collection experience, type of contribution, and nature of the fund-raising activity, and is adjusted for those contributions receivable for which collection is uncertain. Historically, the Organization has experienced minimal losses on receivables. Based on their review of the criteria above, management has not identified the need to record an allowance for uncollectible accounts for the years ended September 31, 2017 and 2016, respectively.

Conditional promises to give depend on the occurrence of a specified future and uncertain event to bind the potential donor. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. No amounts have been recognized in the financial statements for conditional promises to give, which generally arise from the Organization being named as a beneficiary in a revocable will or trust, because the conditions on which such contributions depend have not been substantially met.

Property and Equipment

Purchased property and equipment are stated at cost, representing the purchase price or fair market value at the date of gift, less accumulated depreciation. Depreciation expense is computed using the straight-line method over estimated useful lives of each asset. Assets under capital lease obligations and leasehold improvements are amortized over the shorter of the lease term or their respective estimated useful lives.

	<u>Estimated Useful Life</u>
Building & building improvements	3 - 40 years
Exhibits and renovations	6 - 10 years
Land improvements	5 - 15 years
Equipment and furniture	3 - 15 years
Leasehold improvements	20 years

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Property and Equipment – Continued

The Organization capitalizes property and equipment with a cost greater than \$5,000 and a useful life of greater than three years. The Organization reviews the carrying value of long-lived assets to determine if facts and circumstances suggest that they may be impaired or that the depreciation or amortization period may need to be changed. If circumstances indicate the long-lived asset will not be recoverable, based upon undiscounted cash flows of the long-lived asset over the remaining life, the carrying value of the long-lived asset will be reduced by the estimated shortfall of discounted cash flows. The Organization does not believe there are any indicators that would require an adjustment of the carrying value of its long-lived assets or their remaining useful lives as of September 30, 2017 and 2016.

Collections

The physical facilities at Fair Park and a portion of the collections of the Museum are owned by the City of Dallas, except for certain other collections, which are owned by the Museum. The Museum's collections are comprised of objects of historical, cultural or scientific significance that are held for educational, research, scientific, and curatorial purposes. Each of the items is cataloged, preserved and cared for, and monitored according to professional museum standards, and activities verifying its existence and assessing its condition are performed continuously. The collections are subject to a policy that requires proceeds from sales of collection items be used to acquire other items for collections or provide for the direct care of existing collections.

In accordance with the practice generally followed by museums, the value of objects in the collections is excluded from the financial statements. Such collections have been acquired through purchases and contributions since the Museum's inception. Purchases of collection items are recorded as decreases in unrestricted net assets in the year in which the items are acquired, or as decreases in temporarily restricted net assets if the assets used to purchase the items are restricted by donors. Contributed collection items are not reflected in the financial statements. Proceeds from deaccessions or insurance recoveries are reflected as increases in net assets. There were no sales of collection items in 2017 or 2016.

Deferred Membership Revenue

The Organization directly solicits memberships. Membership dues received are recognized as revenue upon receipt for the portion of the dues that are considered a contribution to the Museum, while the portion of the dues that relates to the service the Museum will provide the member is recognized as revenue ratably over the term of the membership period. Amounts not yet earned by the end of the fiscal year are reported as deferred revenue on the statements of financial position.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

In-kind Contributions

In addition to receiving cash contributions, the Organization receives in-kind contributions from various donors. It is the policy of the Organization to record the estimated fair value of certain in-kind donations as an expense or an asset, as applicable, in its financial statements and similarly increase contribution revenue by a like amount. The Organization has recorded in-kind contributions for use of facilities and professional services in the statement of activities in accordance with GAAP. Only contributions of services received that create or enhance a nonfinancial asset or require a specialized skill by the individual possessing those skills and would typically need to be purchased if not provided by donation, are recorded. Generally, the Organization recognizes donated property if the estimated fair value exceeds \$5,000. For the years ended September 30, 2017 and 2016, \$902,496 and \$437,249 respectively, was received in in-kind contributions. Additionally, in-kind rent was contributed as detailed in Note 13.

Income Taxes

The Organization has been recognized by the Internal Revenue Service as a nonprofit corporation exempt from federal income tax on its income, under Section 501(c)(3) of the Internal Revenue Code. The Organization follows the provisions of ASC 740-10, Income Taxes, related to unrecognized tax positions. The Organization recognizes the tax benefits from uncertain tax positions only if it is more likely than not that the tax positions will be sustained on examination by the taxing authorities, based on the technical merits of the positions. The tax benefits recognized in the financial statements from such positions are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement.

The Organization does not believe there are any material uncertain tax positions and accordingly, it will not recognize any liability for unrecognized tax benefits. For the years ended September 30, 2017 and 2016, there were no interest or penalties recorded or included in the financial statements. The Organization is relying on its tax-exempt status and its adherence to all applicable laws and regulations to preserve that status. However, the conclusions regarding accounting for uncertainty in income taxes will be subject to review and may be adjusted at a later date based on factors including, but not limited to, ongoing analysis of tax laws, regulations, and interpretations thereof.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis on the statement of activities. Certain costs have been allocated among the programs and supporting services benefited.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Advertising Costs

The Organization uses advertising to promote its programs. The production costs of advertising are expensed as incurred and include direct media, promotional items, and advertising contracts for public relations development. For the years ended September 30, 2017 and 2016, advertising costs were approximately \$717,000 and \$774,000, respectively, and are included in marketing expenses on the statement of activities.

New Accounting Pronouncements/Accounting Changes

In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2015-07, Disclosure for Investments in Certain Entities that Calculate Net Asset Value per Share (or it's Equivalent). The ASU impacts reporting entities that measure an investment's fair value using the net asset value per share (or an equivalent) practical expedient. The amendments in ASU No. 2015-07 eliminate the requirement to classify the investment within the fair value hierarchy. In addition, the requirement to make certain disclosures for all investments eligible to be assessed at the fair value with the net asset value per share practical expedient has been removed. Instead, such disclosures are restricted only to investments that the entity has elected to measure using the practical expedient. The new guidance is effective for public entities with reporting periods beginning after December 14, 2016. The ASU is to be applied retrospectively in all periods presented in an entity's financial statements and early adoption is permitted. The Organization's early adoption of this guidance in 2017 was applied retrospectively and is reflected in Note 4 to the financial statements.

Reclassification

Certain reclassifications have been made to the 2016 amounts to conform to the presentation in 2017. The reclassifications had no effect on total net assets or change in net assets.

Subsequent Events

The Museum evaluated its financial statements for subsequent events through January 26, 2018, the date the financial statements were available to be issued. The Museum is not aware of any subsequent events which would require recording or disclosure in the financial statements.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 3. CONTRIBUTIONS RECEIVABLE

As of September 30, unconditional promises to give are expected to be collected in the following periods:

	<u>2017</u>	<u>2016</u>
Due in the next year	\$ 2,650,562	\$ 2,343,868
Due in one to five years	3,550,000	4,821,099
Due in more than five years	<u>500,000</u>	<u>1,000,000</u>
	6,700,562	8,164,967
Less unamortized discount	<u>(221,718)</u>	<u>(213,825)</u>
Total contributions receivable	<u>\$ 6,478,844</u>	<u>\$ 7,951,142</u>

Campaign for Excellence - The Campaign for Excellence was launched in 2012 to secure the financial resources to bring blockbuster traveling exhibitions to Dallas; to support innovation and technology; to build our endowment; to support research and collections; and to grow our scholarship programs. The Museum raised pledges of approximately \$20.9 million through September 30, 2017 and 2016, of which approximately \$5 million and \$6.2 million are still to be collected, respectively.

Contributions receivable are discounted at a rate of 2.4% and 1.4% at September 30, 2017 and 2016, respectively. Activity within allowances for uncollectible amounts was insignificant during the years ended September 30, 2017 and 2016. In-kind receivables included in contributions receivable totaled \$835,575 and \$1,102,275 at September 30, 2017 and 2016, respectively.

NOTE 4. FAIR VALUE OF INVESTMENTS

The Organization's investments are recorded at fair value and consisted of the following at September 30, 2017 and 2016:

	<u>2017</u>	<u>2016</u>
Mutual funds	\$ 4,426,115	\$ 4,170,524
Privately managed funds - equities	19,519,468	17,944,902
Privately managed funds - fixed income	1,065,877	1,858,742
Private equity funds	<u>1,128,528</u>	<u>719,695</u>
	<u>\$ 26,139,988</u>	<u>\$ 24,693,863</u>

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 4. FAIR VALUE OF INVESTMENTS – CONTINUED

Investment income at September 30, 2017 and 2016 consisted of the following:

	2017	2016
Dividends and interest	\$ 195,102	\$ 540,286
Net realized gains (losses)	43,852	(1,236,678)
Net unrealized gains	2,468,252	2,255,154
Administrative fees	(140)	(65,542)
	\$ 2,707,066	\$ 1,493,220

The Organization follows FASB ASC Topic 820, Fair Value Measurements, which provides the framework for measuring fair value. FASB ASC 820 established a three-tier hierarchy to maximize the use of observable market data and minimize the use of unobservable inputs, and to establish classification of fair value measurements for disclosure purposes. Inputs refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the reporting entity.

Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available. The three-tier hierarchy of inputs is summarized in the three broad levels listed as follows:

Level 1 inputs: Quoted prices are available in active markets that the Organization has the ability to access for identical investments as of the reporting date, without adjustment. The type of investments in Level I include listed mutual funds.

Level 2 inputs: Other significant observable inputs. Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices of identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 4. FAIR VALUE OF INVESTMENTS – CONTINUED

Level 3 inputs: Significant unobservable inputs. Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment.

The determination of where an asset or liability falls in the hierarchy requires significant judgment. The Organization evaluates its hierarchy disclosures each reporting period and, based on various factors, it is possible that an asset or liability may be classified differently from period to period. However, the Organization expects that changes in classifications between different levels will not have a significant effect on the financial statements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The fair value of each asset and liability in the tables below was measured using FASB ASC 820 input guidance and valuation techniques. The following tables present the fair value measurements of assets recognized in the accompanying statement of financial position measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at September 30, 2017 and 2016:

Assets at Fair Value as of September 30, 2017						
	Liquidity	Notice Period	Level 1	Level 2	Level 3	Total
Mutual funds:						
Energy limited partnership	Daily	N/A	\$ 728,681	\$ -	\$ -	\$ 728,681

Investments at fair value						\$ 24,693,863

Fair Value of Investments that Calculate Net Asset Value

The Organization invests in the following investment companies that are reported at net asset value. Investments reported at net asset value are excluded from the fair value hierarchy:

September 30, 2017	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Private equity fund 1 (a)	\$ 218,757	\$ -	See (a)	See (a)

Japanese Equity (g)			See (g)	See (g)

A description of the valuation methodologies used for assets and liabilities measured at fair value, as well as the general classification of such instruments pursuant to the valuation hierarchy, is set forth below. In general, fair value is based upon quoted market prices, where available. If such quoted market prices are not available, fair value is based upon internally developed models that primarily use, as inputs, observable market-based parameters. Valuation adjustments may be made to ensure that financial instruments are recorded at fair value. While management believes the Organization's valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

- (a) Private equity funds - The private equity fund contains interest in various established private equity funds and interest in operating companies owned by private equity funds. Due to the nature of the investments, restrictions on redemptions exist in some of the private equity funds and amounts are considered illiquid.
- (b) U.S. equities – The U.S. equities includes investments in entities that invest primarily in long equities and equity-like instruments, and aims to outperform the broad equity market, net of fees and taxes, over a full market cycle. Withdrawals may be made at the end of any fiscal quarter by giving notice no later than 60 days prior to the quarter end of the withdrawal.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 4. FAIR VALUE OF INVESTMENTS – CONTINUED

- (c) International equities – The international equities includes an investment in a fund of funds that invests primarily in long U.S. and international equities with a long-term investment horizon. Withdrawals may be made at the end of any fiscal quarter by giving notice no later than 60 days prior to the quarter end of the withdrawal.
- (d) Emerging markets funds – The emerging markets funds invest in equity and debt securities in emerging market companies, opportunities that arise from the restructuring of debt, opportunities in privatization ventures, arbitrage opportunities, and securities of privately held companies, including certain investments that are hedged. Withdrawals may be made at the end of the calendar year by giving notice no later than September 30th.
- (e) Multi-strategy funds – The multi-strategy funds include investments in various relative value arbitrage strategies which use varying degrees of hedging and leverage, a diversified group of long and short equity funds that attempt to minimize market risk through a hedged approach, and various other securities and funds. Withdrawals may be made on a quarterly basis.
- (f) Fixed income – The fixed income fund is a pooled investment fund that invests in a variety of equity, debt, and options. Withdrawals may be made at the end of each month with a 15 day notice.
- (g) Japanese Equities – The Japanese equities fund include investments in various domestic Japanese securities. Withdrawals may be made at the end of the calendar year by giving notice no later than September 30th.
- (h) Insurance linked securities – The insurance linked securities fund includes investments in private non-life insurance, with an emphasis on property catastrophe that has limited to no correlation to traditional asset classes. Withdrawals can begin on 12/31/2018 for 50% of capital with the remaining 50% available on 12/31/2019 both with a 100 day notice.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 5. PROPERTY AND EQUIPMENT

Property and equipment consisted of the following as of September 30:

	<u>2017</u>	<u>2016</u>
Building & building improvements	\$ 105,929,084	\$ 105,870,170
Exhibits and renovations	31,874,764	32,645,922
Land & land improvements	25,780,485	25,780,485
Equipment and furniture	6,006,719	8,332,182
Leasehold improvements	1,500,000	1,500,000
Artwork	201,953	201,953
Work in progress	598,648	252,275
	<u>171,891,653</u>	<u>174,582,987</u>
Less accumulated depreciation and amortization	<u>(38,606,596)</u>	<u>(34,667,937)</u>
	<u>\$ 133,285,057</u>	<u>\$ 139,915,050</u>

For the years ended September 30, 2017 and 2016, \$7,923,266 and \$7,863,895, respectively, was charged to depreciation on property and equipment and amortization of leasehold improvements and other assets, which is allocated to various expenses on the accompanying statements of activities.

NOTE 6. ACCOUNTS PAYABLE AND ACCRUED EXPENSES

Accounts payable and accrued expenses are summarized as follows:

	<u>2017</u>	<u>2016</u>
Accounts payable	\$ 732,184	\$ 479,553
Other accrued expenses	1,193,805	1,502,041
Compensation and employee benefits	<u>1,147,322</u>	<u>1,032,458</u>
	<u>\$ 3,073,311</u>	<u>\$ 3,014,052</u>

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 7. DEFINED CONTRIBUTION PLAN

The Museum has established a 401(k) Plan for the benefit of all its employees. Employees are eligible to participate on the first day of the month subsequent to their hire. Each eligible employee may contribute to the plan. The Museum may, at the Board's discretion, match contributions based upon the employee's contribution to the plan. The Museum recognized an expense of approximately \$158,000 and \$182,000 in 2017 and 2016, respectively, representing its matching contribution.

NOTE 8. LINE OF CREDIT

The Museum maintained a revolving line of credit in the amount of \$5,000,000 which expired on May 31, 2016 and was not renewed. No amounts were drawn or interest expense incurred during the year ended September 30, 2016.

NOTE 9. NET ASSETS

Temporarily restricted net assets are available for the following programs:

	<u>2017</u>	<u>2016</u>
Campaign for Excellence	\$ 10,707,043	\$ 11,500,746
Bio-Lab - Perot Museum	4,571	104,283
Education programs	924,034	1,188,919
Scientific research	95,379	115,788
Exhibits	402,776	649,364
Collections	35,833	10,833
Fundraising development	1,407,053	991,500
Contributed rent	527,175	1,102,275
Endowment investment income	1,256,074	623,766
	<u>\$ 15,359,938</u>	<u>\$ 16,287,474</u>

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 9. NET ASSETS – CONTINUED

Temporarily restricted net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes, as follows:

	<u>2017</u>	<u>2016</u>
Campaign for Excellence	\$ 785,848	\$ 1,325,216
Bio-Lab Perot Museum	99,712	104,333
Education programs	1,044,272	1,058,415
Scientific research	101,409	258,294
Exhibits	296,122	217,925
Collections	-	32,733
Capital improvements	-	18,803
Fundraising development	1,065,975	1,057,880
Contributed rent	575,100	575,100
Endowment investment income	201,112	109,000
	<u>\$ 4,169,550</u>	<u>\$ 4,757,699</u>

Permanently Restricted Net Assets

The income generated from permanently restricted net assets of \$7,500,000 can be used to support the general operations of the Museum.

NOTE 10. NIGHT AT THE MUSEUM SPECIAL EVENT

Included in Special Event revenues are amounts from the Museum's primary fundraising event, Night at the Museum, which were held November 12, 2016 and November 14, 2015, and had the following results:

	<u>2017</u>	<u>2016</u>
Ticket sales and in-kind gifts	\$ 1,056,800	\$ 1,205,543
Direct costs of event	<u>(314,240)</u>	<u>(323,497)</u>
	<u>\$ 742,560</u>	<u>\$ 882,046</u>

Direct costs of the event are included in operating expenses on the statements of activities.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 11. ENDOWMENT

The Museum's endowment consists of numerous accounts established for a variety of purposes including both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments (quasi endowment). The net assets of endowment funds are classified and reported based on the existence or absence of donor restrictions.

Interpretation of Relevant Law

The Museum follows FASB ASC 958-205, Endowments of Not-for-Profit Organizations: Net Asset Classification of Funds Subject to an Enacted Version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA), and Enhanced Disclosures for All Endowment Funds, which provides guidance on the net asset classification of donor restricted endowment funds for a not-for-profit organization that is subject to an enacted version of the 2006 UPMIFA. The Museum, relying on information and advice from legal counsel and appointed officers, has interpreted UPMIFA to require the preservation of the historic dollar value of the donor restricted endowment fund pool, absent explicit donor direction to the contrary. As a result of this interpretation, for financial reporting purposes, the Museum classifies endowment assets with donor restrictions as follows:

Permanently Restricted Net Assets

The original historic dollar value of donor-restricted endowment assets, including any subsequent gifts and any required accumulations to be made in accordance with the donor gift instrument (mandatory capitalization) are classified as permanently restricted net assets.

Temporarily Restricted Net Assets

Unrealized gains and losses, realized gains and losses, and any accumulations made on donor-restricted endowment assets which are discretionary and not required by explicit donor restrictions (discretionary capitalization) are classified as temporarily restricted net assets until those amounts are appropriated for expenditure with the standard of care required by UPMIFA.

Unrestricted Net Assets

Income from endowment assets which is explicitly directed by the donor to be used to support current operations is classified as unrestricted net assets.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 11. ENDOWMENT – CONTINUED

Interpretation of Relevant Law – continued

Endowment net assets consist of the following at September 30:

	2017			
	<u>Unrestricted Board Designated</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Board designated endowment funds	\$ 14,670,807	\$ -	\$ -	\$ 14,670,807
Donor restricted endowment funds	<u>-</u>	<u>1,256,073</u>	<u>7,500,000</u>	<u>8,756,073</u>
Total endowed net assets	<u>\$ 14,670,807</u>	<u>\$ 1,256,073</u>	<u>\$ 7,500,000</u>	<u>\$ 23,426,880</u>
	2016			
	<u>Unrestricted Board Designated</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Board designated endowment funds	\$ 13,537,298	\$ -	\$ -	\$ 13,537,298
Donor restricted endowment funds	<u>-</u>	<u>623,765</u>	<u>7,500,000</u>	<u>8,123,765</u>
Total endowed net assets	<u>\$ 13,537,298</u>	<u>\$ 623,765</u>	<u>\$ 7,500,000</u>	<u>\$ 21,661,063</u>

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 11. ENDOWMENT – CONTINUED

Changes in the endowment for the years ended September 30, 2017 and 2016 were as follows:

	<u>Unrestricted Board Designated</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Endowment, September 30, 2015	\$ 11,792,000	\$ 234,441	\$ 7,500,000	\$ 19,526,441
Transfer of investments to endowment	1,346,053	-	-	1,346,053
Investment income	230,673	135,579	-	366,252
Realized losses	(601,507)	(389,463)	-	(990,970)
Unrealized losses	1,063,351	770,157	-	1,833,508
Investment fees	(27,719)	(17,949)	-	(45,668)
Change in restriction	<u>(265,553)</u>	<u>(109,000)</u>	<u>-</u>	<u>(374,553)</u>
Endowment, September 30, 2016	<u>\$ 13,537,298</u>	<u>\$ 623,765</u>	<u>\$ 7,500,000</u>	<u>\$ 21,661,063</u>
Investment income	\$ 69,795	38,310	-	108,105
Realized losses	28,327	15,525	-	43,852
Unrealized gains	1,462,750	779,585	-	2,242,335
Change in restriction	<u>(427,363)</u>	<u>(201,112)</u>	<u>-</u>	<u>(628,475)</u>
Endowment, September 30, 2017	<u>\$ 14,670,807</u>	<u>\$ 1,256,073</u>	<u>\$ 7,500,000</u>	<u>\$ 23,426,880</u>

From time to time, the fair value of assets associated with individual donor-restricted endowment accounts may fall below the level that the donor or UPMIFA requires the Museum to retain for perpetuity. A deficiency of this nature would be reported in unrestricted net assets. No individual donor-restricted endowment accounts fell below this threshold, and donor-restricted endowment funds contained no deficiency for the years ending September 30, 2017 and 2016.

Return Objectives and Risk Parameters

The Museum has adopted investment and spending policies that attempt to provide a predictable stream of funding to programs and scholarships supported by endowment while seeking to maintain the real purchasing power of the endowment. Endowment assets are invested to yield a level of return to meet the objectives of the fund while adhering to a prudent level of risk.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 11. ENDOWMENT – CONTINUED

Strategies Employed for Achieving Objectives

The Museum investment objective is to earn inflation-offsetting returns that preserve the real value of the assets and where possible earn enhanced returns to achieve the spending objectives of the operations supported by the endowments. The endowment assets are invested in a diversified investment portfolio designed to achieve a balance of income and growth objectives within prudent risk constraints.

Spending Policy and How Investment Objectives Relate to Spending Policy

In accordance with UPMIFA, the Museum considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund;
2. The purposes the donor-restricted endowment fund;
3. General economic conditions;
4. The possible effect of inflation and deflation;
5. The expected total return from income and the appreciation of investments;
6. Other resources of the Museum; and
7. The investment policies of the Museum.

After maintaining the real value of the permanent endowment funds, any remainder of total return is available for appropriation. The Museum appropriates investment earnings, as considered prudent, to meet the Museums long term and short term needs, present and anticipated financial requirements, and expected total return on its investments, price level trends, and general economic conditions.

NOTE 12. COMMITMENTS AND CONTINGENCIES

Total lease expense was approximately \$1,854,000 in 2017 and \$1,463,000 in 2016.

Lease expense does not include in-kind rent in the amount of \$575,100. The Museum renewed the lease agreement in 2013 to use the building at Fair Park for an additional five years through 2018. The Museum has recorded a contribution receivable for the estimated value of the remaining benefit to be provided until the end of its lease agreement in 2018.

The Museum entered into a 20 year lease of a parking lot beginning in January 2012 with the City of Dallas. The lease calls for minimum annual payments of \$388,500. The agreement also calls for additional rent based upon collections, as defined in the agreement. The agreement also allows for two 10-year lease extensions. The lease is being expensed in the Museum's financial statements in level amounts over the lease terms.

**PEROT MUSEUM OF NATURE AND SCIENCE
NOTES TO FINANCIAL STATEMENTS**

NOTE 12. COMMITMENTS AND CONTINGENCIES – CONTINUED

Scheduled minimum payments under leases is as follows at September 30, 2017

2018	\$ 395,500
2019	388,500
2020	388,500
2021	388,500
2022	388,500
2023 and thereafter	<u>3,593,625</u>
	<u>\$ 5,543,125</u>

NOTE 13. CONCENTRATIONS

At September 30, 2017 and 2016, the Museum had outstanding pledges due from two donors that accounted for approximately 85% of collections receivable.
