Bike Ride for the Kids 2020 Sponsorship Application

MISSION

Our Mission is to provide students with the resources and opportunities to expand their STEM knowledge to promote careers in engineering related fields.

ANNUAL CHARITY EVENT

Our charity event is a 100-mile bike ride that takes riders from downtown Chicago to South Bend, IN. Over 60 riders partake in the day-long event and historically have raised over \$35,000 on an annual basis. The funds raised by the Bike Ride for the Kids are used to support organizations (like yours!) which enable children to partake in various Lego Robotics programs.
